

Tools made from old spikes
used on railroad ties.

All silver was polished
with buckskin when I first
came to S.W.

cleaning was done with
native alum.

Coins were all hammered by
hand and they sang as they
hammered. This hard hammer
made the most beautiful silver

Word "basket" should be "plain"

Line 8 - plainweave is every other thread
basket is every 2 or 3 threads instead
of one.

Intricate patterns might be
intricate diamond and herring bone
weaves,
