

THE FRONTIER SOCIETY

INCORPORATED

Albuquerque, New Mexico

March 28th.

My dear Miss Gilpin:

Thank you so much for your wire and for following up the contract for me. I have decided to stay a few more days and to come down on Thursday to see Mrs. Carlton. I think it advisable to make the contract now while the opportunity offers. Will you please ask Mrs. Carlton when will be convenient? Mr. Macfarlane and I will drive down Thursday morning and we'd like very much to have you take lunch with us. I'll phone you when we arrive.

My very best

wishes,

Sincerely,

Jack Vandenberg
