

Native medicines

a sedative plant which will really
alluvate toothache.

Several plants when smoked or
chewed produce a semi-anesthesia

"*Peritonia arevellerum*" is effective
against internal poisoning & insect bites

Havah or Hopis have an antidote for rattlesnake poison?

Mr John Wetmore had collected a large number
of Havah medicines & remedies.

Elmore - Francis Havah & Ethnobotany.

In 1853 - Capt. Henry L. Dodge estimated
Havah horses at 20,000 Sheep 250,000
8000 people
2000 acres of corn what source
