Dear Laura;

Well, Laura how are you coming along with every thing and also how is good old Ben?

Your blouse is all refixed, hope this time it fit you alright. Sorry for I kept your blouse too long.

Of course mother got sick and we did not stay home, we been on the going till she returned from the Hosp. about a month ago. that was just how much we had worried about her. We are all happy that she is back to her normal life again.

She'll be going back to
work in Jan.

Well Laura don't
worry about your
precious blouse it'll
be in the mail soon,

close here with our
best regards.
