Mr. Ned Hatathli, Director,
Resources Division,
The Navaho Tribe,
Window Rock, Arizona

Dear Mr. Hatathli:-

Thank you so very much for your very prompt reply to my request for facts and figures from your resources division. This will give me what I need for the text to accompany the pictures I have. Just as soon as I complete this last part of the text, I will mail you a carbon copy of the whole for your inspection. I do want you to go over it.

I was sorry indded that I had so little time with you. The heavy rain on Monday held me up a while and I did not anticipate Sammy Day taking so long in going through the book, but as I also wanted him to go through it, and it was after five o'clock before he finished. But I strongly suspect that I will be over once more before I send it all to the publishers. I am very happy over the response of all the Navaho People who have seen the book as it now is, and I want the final check to be all Navaho.

With best wishes to you and again my thanks for your information, I am

Most sincerely yours,
