Miss Laura Gilpin
Colorado Springs, Col.

Dear Laura :

As it is the end of January, I'm just writing you to see how the manuscript on the Rio Grande is coming along, since I've had no word from you as to progress for some time.

If the weather's been bad, you are probably in the midst of printing now, and we await with eagerness the first results of the work so far.

Sincerely

DUELL, SLOAN & PEARCE, INC.
