Dear Laura,

Although the photographs of Mabel have not come in yet, I know that I was really quite shocked at seeing some other photographs which Mabel had sent on. She has changed considerably even since I've seen her, and I know you will handle her face as well as anyone can.

I am glad to know that you feel that your book is really coming to a close. It's been a long time I know, but I am looking forward with great interest to seeing it in its finished form.

I do know about Dr. Ruth Underhill and some of the books she has done. We will be very interested in considering her latest one if she will send it in.

Sincerely,

Wally
