Dear Laura;

When you are here at Christmas it will be a good time to go over the cuts. They should be available then. Write me in advance of your coming.

The delay of the few items you still have left is not stressing and there will be time for them.

Thank you for your understanding letter about Mother. It happened very quickly and probably was best that way. I am writing you a personal letter but it is hard to get anything done in a short time.

Sincerely,

Walter L. Goodwin, Jr.
