Santa Fe, N. M.

Dear Miss Gilpin:

Thank you for your letter of July 16. Since you have written to Mrs. Hazlehurst, I do not believe that there is a necessity for my doing so.

A circular on your book is in work now and we should have samples in a day or so. Our salesmen are still taking orders for imprints and if there are bookstores in Santa Fe who want some and have not ordered, they may do so directly through me. If you would like to have two hundred of these circulars for your own use, we will be glad to send them on to you when they are ready. Would you want to have them with DS & P imprint on them? At any rate, I will send you a sample as soon as I get them and you will be able to tell if they suit your needs.

Yours very truly,

Secretary to Mr. Hurdon
