Dear Laura:

We are on press with THE RIO GRANDE so it was too late when your two and one-half lines of corrections arrived.

The sheets are coming off now and some of them look very nice, although I am a little disappointed in others. However, I think the whole will make a good looking book.

I will have the corrections noted for any future printings.

Sincerely,

Walter L. Goodwin, Jr.

P. S. I am enclosing a tear sheet of the first ad on the book which appeared in last Sunday's New York Herald Tribune. We think it's wonderful.
