Dear Laura:

Here is a free book from Duell, Sloan and Pearce for you. It is very appropriate that you should have it because it is on Lawrence and by Richard Aldington. D. H. LAWRENCE: PORTRAIT OF A GENIUS BUT...

Although I don't think you are involved as much as some of the individuals in that part of the country were with Lawrence when he was out there, I feel that you can appreciate this picture of the man, written at this time.

Best personal wishes,

Sincerely,

Walter L. Goodwin, Jr.
