Dear Laura:

Thanks for your letter. I do hope that all now goes well with the Rio story and that you get the assignment.

You asked for word of Wally from whom you have perhaps now heard. He has been in Reno for the last six or seven weeks and expects to come back here fairly soon. He does not plan to continue with our Company except perhaps in a limited advisory capacity.

Cap sent you the release on our fine new alliance with Little, Brown and Company of Boston.

Sincerely,

Charles
