Dear Laura:

I know that Cap wrote to you the other day, but I feel that I should have responded directly to some of the points in your letter of weeks ago about which steps have been taken, though I am unsure of the results. Did the Wichita consignment turn out all right in the end? Did anything come of the Viking Fund application? And haven't you heard anything from Wally either? Although I have written to him, I have not been able to raise a response since last November. Very vague rumor hath it that he has gone abroad.

My best to you,

Yrs.,

Charles
