Laura Gilpin:

Dear Miss Gilpin:

I am most anxious to have you autograph my copy of your beautiful " Rio Grande: River of Destiny" to give to a friend of mine in El Paso who shares our love of the terrain. If you are willing to do so for me, I will see that the book reaches you with facilities for returning it and will appreciate it greatly.

My address is on the card. Yours truly
Lit.Editor THE EL PASO TIMES
