Dear Laura:

It seems that there was some mix-up about the copy of Rio Grande which you took to Dr. Nelson. We sent him a bill for it, and he said he had given you his check for \$6.12 in payment for the book. By any chance did you walk off with the check?? It was one of our copies, wasn't it?

So many people spoke of how much they enjoyed our tea and the chance to see you! I think it was very successful, and we are having a steady call for the Rio Grande. I hope your exhibition in Dallas was a great success.

Sincerely,

Edith
