Dear Laura:

Don't worry about LA FRANCE DE PROFILE. When your royalty payment comes through about the middle of the month the deduction of \$8.19 will be automatic. I hope that this is all right with you.

The overstock sales were made way below cost, so no royalty could be expected. Actually, we are getting 75 cents a copy for the books which cost us \$1.37 a copy simply for manufacture.

I am glad to hear that you are coming East in the spring and look forward to a good visit. Please let us know ahead of time so that we can be sure to save a lunch or such.

Yrs.,

Charles
