

June 15, 1945

Dear Sir:

We have just signed a contract with Miss Laura Gilpin to do a book of photographs of the Rio Grande, from its source to the Gulf of Mexico. This is a subject she is extremely well able to handle. It will necessitate, however, doing an unusual amount of traveling for which extra gasoline will be needed. I will appreciate your doing everything you can to help her carry out her project.

Sincerely,

Mr. Lipsey
