Dear Mr. Duell:-

Your good letter came day
before yesterday and I am more than ~~happy~~ ^{pleased} if
the Rio Grande meets your expectations. I
hope the size of it hasn't staggered you too
much! Somehow, the Rio ~~Grande~~ ^{Grande} turned out to be
a little longer than, ~~I~~ ^{we} guess, any of us realized.

A letter from Wally to-day pleases me, too,
for we agree ~~as to~~ ^{soon to be of our mind as to} format etc. On such a ~~simple~~
documentary proposition, it seems to me the
simple dignified format is the thing. I have
every reason to believe that any changes will
be quickly agreed upon, and adjustments easily
~~agreed upon~~ ^{made}. Quality of reproduction is my one
concern, and who can do it better than you?

My most heartfelt thanks for your kind words,
and I know that you will present the book in
the manner you deem best and I have complete
confidence in what you will do with it.

Most sincerely
