Dear Wally:-

Just a brief note. Here is a list of titles. I took Mr. Brandt at his word and made a list of more than twenty! Perhaps there is something here. I won't tell you which I like the best, I want to see what strikes you. By one comment in the question would you consider the use of my "Carere Chronicle" which I have used on both Hastings House books. I was trying to establish it as a sort of trade mark. The thought I have in mind is a title which will at once distinguish this book from others if one were ordering it by telephone or asking for it at a bookstore. Here are many variations on several themes. I shall be interested to know if any of them click with you.

RIO GRANDE, A CAPIERA CHRONICLE.

RIVER OF THE BRASS HORIZONS
THE RIO GRANDE.

RIO GRANDE? THE RIO BRAVO.

HERITAGE OF THE RIO GRANDE

RIVER OF THE WILDERNESS
THE RIO GRANDE.

HORIZONS OF THE RIO GRANDE

THE SWEEPING RIO GRANDE

RIO GRANDE HORIZONS

RIO GRANDE
A CHRONICLE OF FAR HORIZONS

RIVER OF HERITAGE
THE RIO GRANDE

THE TURBULENT RIO GRANDE.

I have had a hectic week with countless interruptions. However, it is nearly done and will be off to you in a day or two. Hastily
