Dear Miss Liederman:-

It is all arranged for me to go to Colorado Springs for an autograph affair on Sept. 22nd. My problem seems to be how to be two places at once for the stores here want the same thing. However Mrs. Haglehurst put in the first bid.

I believe that Mr. Clemens of the Santa Fe book Store has already written for circulars. I will call the other store here to-day and give them your name also. As for myself, I would like about 200 circulars, and I believe I would prefer to have them with no imprint as I shall be sending them to various out of the way places and I can write in the nearest source of supply. Some of these people would hesitate to send in to you but would doubtless order through me and I can take care of these orders.

The sample has not yet come but I look for it in the next few days.

Very truly yours,
