Dear Mr. Hurdon:-

Orders are coming in, some with checks enclosed some without. Enclosed please find my check for \$100.00 on account for the sixty copies ordered.

Of-course, I am getting anxious about the arrivals of books here by a week from to-day. I am scheduled for two autograph affairs here before I go to Colorado Springs. This puts these dates on Oct. 14th, (Villagra Book Shop) and Oct. 15th (Santa Fe Book). Colorado Springs on the 17th.

Will have definite dates for my exhibition in Dallas shortly, and I shall have to go over there then.

To say that I am anxious to see the finished job, is putting it mildly, but I imagine that my advance copy will be here in a few days.

Has a review copy been sent to John Mason Brown at the Saturday Review? My cousin, Mrs. Kenneth Gilpin knows him and wanted a copy sent with a note that I am her cousin, but I dont want to do this. The book must stand on its own.

With best wishes, and hopes that orders are coming in to your satisfaction, I am
