Dear Miss Gilliland:

Your letter regarding the School Review came while I was in Dallas last week. I am very much interested that you are reviewing RIO GRANDE in your new book section, and I shall be very happy to furnish you a picture any time that you need it. Your second letter, of course, explains your cover for the January issue. If you will call me sometime and give me an idea of just what you want, I shall be very happy for you to use your selection.

Very truly yours,
