Gentlemen:-

Your letter has been forwarded to me from Duell, Sloan & Pearce, and I am interested to read of your organization. I wish I might comply with your request to send you a copy of RIO GRANDE, RIVER OF DES HIX. Unfortunately the demands on my free copies have been very great as you may imagine with the countless people who so kindly helped me in one way or another the whole length of the river. At the present time I am not in a position to give out any more, but it is possible that the publishers may do so. Therefore I am forwarding your letter to them and I hope that you will have a favorable answer from them.

Thanking you for your interest, and hoping that you will receive a copy direct from New York, I am

Very truly yours,
