

POSSIBLE TITLES.

THE NAVAHO. Denizens of the Desert.

THE NAVAHO. Nomads of the Desert.

( The first is out as there is a book "D NIZENS  
OF THE DESERT)

( The second isnt right anymore)

PAGENT OF THE NAVAHO. ( suggested by Baldrige)

( I dont like it for it sounds like a parade)

THE ENDURING NAVAHO

THE TIMELESS NAVAHO

either could have a sub title "His Changing World"

THE ENDURING NAVAHO I like the best so far.

I am pleased to report a good sale on the Rio Grande  
here this past Christmas, way above last year.
