Dear Miss Gelpi -
This

Excellent review by
Arthur F. Tappan gave
me much satisfaction,
as I know it will you.
I send it in case you
can use an extra
copy.

In reply, I

Rejoice in your book, and
find it a rich and
very so valuable handling
of a topic which we both
know to be a very big
one.

I know it must
be doing very well,
and I congratulate you
once more.

Yours sincerely,
Paul Morgan
