Dear Laura

I was so sorry not to get home in time to see you and to tell you how fine I think your book is. The pictures are so very lovely + satisfying. I enjoyed them again almost as much as the originals at the showing last spring + that was plenty. The book is good reading too.

I got a couple of copies, one for myself + one for Chuck + Alice. While they have your signature in them, we all three would like a more personal one, as I believe you told Edette you

would do if I sent them down to
you.

So I am sending them on
and will greatly appreciate it

Very sincerely
Abby.
