

HANIEL LONG
Box 952, SANTA FE, N. M. Sunday am

Dear Laura —

Your book
has been a great joy
to us the last four
days, with its deep
poetic love of land and
flowing water. We are
taking it to San Francisco
with us — I will read
the pictures, which mean
so much more than
print to my eyes — but
your text is form and
cut to the quick. Our
fond congratulations
Haniel
