Grande, San Juan and Needle
Mountain Wilderness

CREEDE, COLORADO

Dear Miss Giffen! — Do nice to
hear from you.

Yes Mrs Giffen is still
alive + lives in Monte Vista
just address her there. Last
Winter she was ill but is
again her lively self.
I believe Mr Sharp is still
at the Gap.

Do hope you find time on
your way to Colorado Spring
to make us a visit. — Elk
season starts Oct 15 — so do come
by. —
am so anxious to have your
book & be sure to autograph

each copy, I know it will be a
great sell -

Sincerely,

Ina F. Westbury
