

Earl H. Morris

October 24, 1949

Dear Miss Gilpin -

We are delighted with "The Rio Grande."
The selection of photographs is admirable and
they are of the quality that only your
eye and skill could produce. In the
preparation of the text you have brought
to bear rare ability and direction.
The ensemble is a masterpiece.

Lucile joins me in congratulations
and the best of wishes.

Sincerely,

Earl Morris
