

THE POTOMAC SCHOOL
2144 CALIFORNIA STREET
WASHINGTON 8, D. C.

September 23rd

Dear Laura,

We are both thrilled about Oct. 17th
& the thought of having the Rio
fronde on the bookshells - We
do congratulate you & feel very
very proud -

Please come East soon - We long
to see you & hear all about the
doings - The new ^{house} sounds delightful -
We're just about to start school
but we want you to know how
thrilled we really are, & how often
our thoughts turn your way.
Affectionately Seth and Carol.
