22 September 1949

Dear Miss Gilpin:

Some time ago you were in my shop and we were discussing your forthcoming RIO GRANDE. We would like to do a window and would be delighted if we could have some of your photographs. Is it possible?

I have been hoping to be in Santa Fe to call you about it, but at this point it looks like I will never get there.

If you are in Albuquerque please come by and autograph copies for us. I presume Jim is having a party for the book.

Judging from the salesman's samples the RIO GRANDE looks terrific, and we wish you much luck.

Looking forward to seeing you soon, I am

Sincerely,

Emily Ramage
