Dear Laura,

Let me, before it gets any
later, tell you what a very
great pleasure it was to
meet you and to see so
many fine works of art
of yours.

I was deeply moved by the
Rio Grande Epic - tears
filled my eyes many times
at the beauty and grandeur

that you have caught, and
at the deeply felt relation
between nature and little
man - and also at the
very subtle & lyric quality
of your lines & textures.

I had known your work in
a very superficial way
but have never had such
a sense of its scope and
depth - you are a fine
artist and a most sen-
sitive interpreter of life
in its various forms, and

it is a real privilege to know you
and your work -

With all good wishes for the success
of it and your pleasure,

Yours - sincerely

Wilma S.
