Dear Sam, &

It was nice to hear from you. Wish
we might ever see you.

Will you send this book p.d. q? We
are taking off for Mexico about Dec. 5,
and would not want to have it forwarded
if we could possibly keep it.

We spent last winter in Florida - so
tame and uninspiring after your Southwest!
Our kindest regards to Betty.

Sincerely,

Glady's

We have the Tuellos & Temples in Yucatan &
Love them! You've solved my Christmas
problem for Joe. How about another next year?
