Dear Laura -

I have been hoping for
time to write a real letter, but
I guess it just doesn't happen -
Needless to say, we want the book,
and I enclose a check. I want
to show it to our local stationer
who is a good friend. I gave
Mrs. Herd at the gallery the
folder - She seemed interested and
you may have heard from
her -

We have two grand-daughters,
and are cock-eyed about them

both - Chas + Bob each have a
daughter - 9 mos and 5 mos -
a new thrill. Do come see us and
them! we would love a visit from
you -

the family is fine, except for
Elger, who has been below par but
is better. 2 g like mail, but don't
quite collapse -

affectionately
Mildred.
