Dear Miss Gilpin:

Thank you for your letter of 26 December.

I would suggest now as a tentative date, either June or July of 1950. I believe our loan space would accomodate one hundred of the photographs and we could provide glass for that number. We shall be glad to assume one way transportation and if there are any special insurance requests, we should like to know them in advance so that we can place it ourselves.

Further details can be worked out early in 1950 and we are all very glad that we can plan to show your photographs here.

Sincerely yours,

Director
