Dear Laura,

I did see your book at Colorado Springs and thought it perfectly swell and will eventually get a copy of it for myself but at the time I was travelling about and by air, so had to keep my baggage light.

Again I assure you that we do want the show and I think it would be an excellent idea for us to figure on it for say, April if this will be satisfactory for you. If not we could take it for September showing. We will put it on our calendar now, tentatively, for April and you can let us know how this is for you. We would want to have the pictures here just before April first.

Thank you for writing, and with all best wishes,

Cordially,

Donald Bear
