Dear Laura,

We've finally juggled our exhibitions items to the best of our ability, trying to "do right" by all concerned. We had made a tentative scheduling for you during April but due to the fact that our big Tri-County exhibit will fill the building for half the month, we would like to have your prints for a time when they can remain on view for three weeks. The first three weeks in September is possible and I'm wondering whether this time would be opportune for yourself.

I'm hoping that the change of dates will not have caused you any inconvenience and that your work goes well.

All best greetings,

Sincerely,

Donald Bear
