Dear Sirs:-

Will you please send me six more copies of TEMPLES IN NUCLEON. And is it possible to get two extra jackets? Two that I have on hand were damaged in shipping and I do not like to send them out.

About ten days ago, Mr. Froese wrote me that a reviewers copy for Mr. Charlot was sent to me for autographing on April 21st. This copy has never come and if you had it insured will you please put in a claim? I will send one of this next lot on to Mr. Charlot for his review will be valuable to us all.

Very truly yours,
