Dear Mr. Frese:-

Of-course I am most anxious for news as to how the book is coming. I presume that you received the dummy etc. two weeks ago or surely I should have heard from you before now.

Can you tell yet just when the book will be finished? I am hoping it will be before the first and I know that you are as anxious as I am to have it on the Christmas market. And I know that there must be unlooked for delays at time. However I would appreciate just a line from someone that you received the dummy and when you expect to have it out.

Cordially
