Dear Miss Gilpin:

We are so glad that you liked the PUEBLO book. We are quite proud of it ourselves.

Although some of the copies were released about Christmas time, we expect to give it more or less of an official publication date as of January 19th. However, we have no objection to having any dealers sell whatever copies they have before that time. In other words, the publication date will be just for publicity purposes. You may, therefore, send out your circulars whenever you wish.

The Navaho book sounds very interesting. We look forward to receiving it.

Cordially yours,

HASTINGS HOUSE
