P.O. Box 448
Colorado Springs, Colorado

Dear Miss Gilpin:

We are planning our Spring program, and because of the continued production difficulties, have to plan very far in advance.

I believe our agreement called for delivery of the Yucatan manuscript by the first of October so we were at this point wondering whether the material is about ready.

I hope that this note finds you in the best of health and spirits, and that you had a very enjoyable summer.

Cordially yours,
