Miss Laura Gilpin  
Box 1173  
Santa Fe, New Mexico

Dear Miss Gilpin:

We are working on the end-sheets for your book, and would like to know how you would prefer the Maya hieroglyphs to be used. Do you think it is important to have the names of the symbols under them as they appear in the photostat, or should we omit them and use the symbols as decorative spots?

We should appreciate hearing from you about this at once.

Cordially yours,

HASTINGS HOUSE
