Dear Miss Gilpin:

The YUCATAN book should be ready for shipment very shortly. We will send out the review list as soon as it comes in. Can you please give us again the address for Sylvanus G. Morley, together with the names and addresses of any other reviewers that you think might really do some good? We, of course, will send copies to our usual review list, but in a book of this nature there are usually many names in a special field which we ordinarily would not get. Thanks in advance.

Cordially yours,

HASTINGS HOUSE
