Dear Laura:

Thank you so much for your report of the tea which, indeed, does seem to be quite a success. We'd be delighted to send you a copy for Jean Charlot, and so are doing this under separate cover. In other words, we are sending it to you so that you can autograph it and forward it up to him in Colorado Springs.

I'm turning over the information for the erratum slip to Mr. Spencer for the next binding.

You once asked me whether I would like an enlargement on any of the pictures, and I don't remember whether I wrote you or not. The one that really pleases me the most, for some strange reason, is page 33, The Vista Between the East Annex and Iglesia. For some reason, it seems to give me the feeling of being right down in the old city and conveys somehow even further the impression of "intimate prospective". I'd love to have that one if it is not too much trouble.

We did receive some orders for the outlets down in Chichen Itza. I don't believe they had time to give us their reaction as yet. Everyone says it's a swell book, and we are certainly proud to have published it.

Cordially yours,

HASTINGS HOUSE
