Dear Miss Gilpin:

Our accounting department informs me that 3500 were originally ordered of THE PUEBLOS, and we actually received a few less than that. The summary of the royalty report is attached showing that the waste was not too much, and we got a maximum number of copies out of the printing.

We may consider a reprint in the near future, although I am afraid, despite the fact we have the plates, that the manufacturing costs will be prohibitive.

I hope this finds you in the best of health and spirits. Best wishes.

Cordially yours,

HASTINGS HOUSE
