Dear Miss Gilpin:

Thank you for your letter of April 7 to Mr. Walter Frese. He is at home, ill with the flu, and not expected back to the office until about the middle of next week.

In regards to the NAVAHO dummy which we returned to you on March 30, it takes about ten days or two weeks for mail to reach its destination. Your manuscript was sent to you by insured mail---#D57003. If you don't get it by the 17th, please let us know and we will start a tracer.

Your letter will be brought to Mr. Frese's attention when he returns.

Sincerely,

HASTINGS HOUSE
