- Page 21. Move text from page 22 to this page
- Page 22. Move text from page 23 to this page.  
Re-arrangement indicated to save space and make better looking page.
- Page 23. Move Calendar Wheel from page 24 to this page.  
The type as given is correct, however the caption "THE NUMERICAL COUNT" is missing. Is this in the drawing or does it get set in type? The latter was my intention. Also is not there room for general heading in Lydian type for  
THE CALENDAR WHEEL.
