" 12

" "

" 13

Change in copy "Serie" instead of "Enscript" by error

" 14

OK

" 15

crop very little at base of plate if necessary

" 16

OK

" 17

OK

" 18

crop a little at top if necessary

" 19

" no more than indicated

" 20

OK

" 21

move text for page 22 to this page

" 22

" " " " 23 " " "

also make 3 col of day & month names for condensation if needed & rearrange as indicated

This would make better looking page.

Page 23 Calendar Wheel - move to page 24

Type is correct - ~~I assume~~ leading

is hand lettered. - If not use a Lydian straight
Wheel's leading

The Calendar Wheel Headings

The Numerical Count

The Numerical Count

Main heading?

" " " " " " " " - etc
