Well, dear old friend of my heart:

It was like sunshine, and moonlight, and laughter and serenity to be with you yesterday. When you are in a room there is an ambience very especial to you:- ? beauty and warmth and true value.

I love my book and that you gave it to me with your precious message. I shall always treasure it, and today it goes to town with me — I cannot bear it here, but when I return so shall it — with me.

Dear one, I love you very much - you give me much of happiness —

Unendingly - Alice -
