Dearest Nell,

I haven't had the energy nor ability to write or speak to you lately due to the fact that arrangements have been changed, so often at the hospital and my medication schedule is different from day to day.

As you know, I was home for a few days, and then came back to the hospital. At the present time, I do not know just how long I will be here. It all depends on radiation treatments and how they are affecting other situations, so this is a transition period.

I want you to have word from me that my thoughts are with you always as you are one of the great persons in my life. I cannot articulate these to you just now. I know you will understand.

Bless you my dearest one.

Deep, deep love

Alice
